

# The World Community for Christian Meditation

**Silent Retreat, Jacksonville, Florida**

## HEARING THE WORD IN THE SILENCE

**October 31st — November 3rd, 2019**

When we meditate we listen to the word, the mantra, as it drops ever deeper into the silence within. As a result we begin to hear the written word more sensitively, as though we are now hearing with the ears of our heart. We become increasingly receptive to the wisdom and personal meaning the words open up for our lives.

The retreat will be shaped around periods of meditation together and talks which will help us hear some of the Biblical wisdom stories at greater depth.
